

Mid North Coast Dance Festival 2019

DVD Orders

This year at the festival each act will be professionally filmed. Students are able to purchase a copy of their performance on DVD at the cost of \$15.

To place an order, students are required to complete the order form attached and send the money to their school office (either in cash or online). Please discuss payment options with your office staff to know the best process for them. The total amount (no. of orders for students at the school x \$15) will then be extracted by Woolgoolga HS to pay for the DVDs.

A complimentary DVD will be provided to all participating schools of their performance. The DVDs are for educational and archival purposes only for your school community and are not for reproduction or distribution.

Due to copyright laws, schools and students are not able to purchase DVD's of the entire show or other schools/students performances.

It is asked that one teacher per school collates the orders from their school and completes the online order form **per item** using the link below **by Monday 27th May (Term 2 Week 5)**.

<https://drive.google.com/open?id=1QIGcwTfZJXEfpqYrx2G1xJemthJjVIOJjPfhRSceGEg>

You will need to print and photocopy the order form for each dancer. It may be easier if you enter the "Name of the Item" before printing.

Note: Please check video permission for students in your group before the rehearsal day, as these students will need to be excluded from filming.

Kind regards,
Festival Committee

Mid North Coast Dance Festival 2019

DVD Order Form

This year at the Mid North Coast Dance Festival each act will be professionally filmed. Students are able to purchase a copy of their performance on DVD at the cost of \$15. Additional acts can be purchased separately for the same amount (from their school only).

School:					
Student Name:					
Item Name:		No. of copies:	1	Amount:	\$15
Total amount:					\$15

I have paid (circle): in cash / online
